roung. She said that her daughter had oeen engaged in teaching Chinaimen for several years.
Young only happens to be the pupil at this time. Mrs. McAllister said Young was a good, decent, intelligent young leilow; industrious and altogether a desirable person for her daughter to associate with.

"If a girl wants to marry a Chinaman I do not propose to interfere," she continued.
"My daughter has been all over New York with Mr. Young, visiting Sunday-schools, many times. He comes here often. My daughter went to the recent Chinamen's plenic with her pupil.

"The reports that have been circulated about my daughter are the work of certain people I know who do not like her. They want to put the girl in a bad light.

"It is simply a case of spite. If my daughter sees fit to teach in a chinese Sunday-school it is no one's business but her own. It she wants to marry a Chinaman I would not interfere. She expects togo to China as a missionary some day.

"The matruction she gets in the Chinese language from Mr. Young will be of benefit to her there. I have nothing to criticise in my daughter's conduct." Unprofitable Highway Robbery, home, were charged with highway robbery in the Lee Avenue Police Court, Williamsourg, this morning. Both pleaded not guilty and were remanded for examination by Justice THEFT HIS SOLE BUSINESS.

## VAGARIES OF DISEASED MINDS.

Strange Hallucinations That Possess Nine Brooklyn Unfortunates. Nine persons were committed to the Flat-bush Insane asylum to-day by Chief-Justice

Clement in the City Court, Brooklyn. One of the most pitiful cases brought before loress, who is suffering from despondency. The physicians who examined her say that

A Staten Islander Under Arrest on A Grave Charge.

\*\*\*PITCIAL TO THE EVERING WORD. I TOTENSVILLE, S. I., June 27.—An attempt was made early this morning to poison Jeremian Lyons, who is employed as night oiler on the Staten Island Rapid Transit Railford at this piace.

Lyons has been in the nabit of carrying a lunch with him to work, and last night, as usual, he placed his lunch, with a can of coffee, in a closet of the engine-room. Some time atter midnight Lyons ate his lunch, and soon after drinking the coffee was seized by violent pains in the abdomen. Dr. George C. Hubbard, of Tottenville, found Lyons suffering from symptoms of poisoning.

He gave him an antidote and probably saved the man's life. Dr. Hubbard examined the can and its contents and tound that a spifical result of paris green had been placed in the coffee to kill three men. Lyons and McNamara says she was mesmerized.

And McNamara says she was mesmerized and McNamara says she was mesmerized.

saved the man's life. Dr. Hubbard examined the can and its contents and found that a sufficient quantity of paris green had been piaced in the coffee to kill three men. Lyons was removed to his home and the police notthed.

Eugene McCaffery was arrested by the police on a charge of having attempted to be suffering that the following that the can perform miracles. Kate Meyers was reported to be suffering from melancholia.

HE WASN'T A CAPTIOUS MAN.

erate tone, "Gie the Bishop the kettle."

All boys over 'weive years old must week and thought which usually consists of a part of east-off trougers with the legs shortened, or when the boy is lucky or "rich," of regular out and out "swimming tights," extending from the waist to midway between knee and thigh.

Hoys and men who do not own "bathing suits" may rent them, together with a tower, of the master of the bath for two cents.

A play was on and the only responses were grunts.

"Any objection to my coming in "asked Sharon, with a good-natured smile, "Course not," said Flood, who was banker.

Sharon threw a \$100 bill on the table and turned to the wait to hang up his overcost. He took his seat and esemble surprised to see the others staring at each other and then at him.

"What's the matter?" he saked.

"Don't you want me to play?" DIVING OFF THE STEPS.

Tuesdays, Thursdays and Saturdays, all are for the men and boys, but Mondays,

These dressiny-rooms are each three by four feet in size and exactly like the pay bath-rooms at Coney Island or Long Branch.

There is a round opening in each door, and an Branisa Westle aritist caught a portrait of one routhful bather who coupled the pleasure of watching the other bathers while he watching the other bathers while he

"TOU'TE BEER IN LONG BRODGE." This bath is not as well patrentied as the other two, though it is in the heart of the City of Churches.

This is because the bath-house is located where the water is shallow and is at the east

Always Fixed His Hair.

Judge Pratt was one of the most partieular judges we ever had on the bench, says the San Francisco Examiner. He had long hair, and as he were a slouch hat his tooks were disarranged frequently. A lawyer would very often make the mistake of addressing him before he was ready to open the

Judge Pratt was very fond of sitting down hard on young practitioners, and he had sas down with particular zest upon a certain young Southern lawyer, who shall to name

Pratt liked to fix his hair carefully with his fingers before the court was declared open, and if a lawyer tried to hasten matters Pratt would say with intense severity, " Pies wait, sir! until I have faid, sir! that the Court, sir! is ready to near you, sir!" On one occasion the young attorney, who had come across on the Oakland boat and was

feeling fresh, said:
"I beg your pardon, sir, but you have
dropped your pocket comb, and I am arraid it will get away unless you clai. I trust you will forgive me for mentioning its es-

Awarded the Prise. The late Bishop Selwyn delighted to tell the following racy incident in his varied experience: While Bishop of Lichfield he was walking one day in the Black country, and observing a group of colliers seated by the roadside in a semicircle, with a bross kettle in front of them, he had the curiosity to inquire what was going on, says Tid Bits.
"Why, Yer Honor," replied a grave-looking

member of the group, "it's a sort of wager. You kettle is a prize for the fellow who can tell the biggest lie and I am the umpire." Amazed and shocked, the good B reprovingly, " Why, my friends, I have never told a ile that I know of since I was born." There was a dead stlence, only broken by the voice of the umpire, who said in a cello-

Senator Sharon Dropped In on & Quiet Little Game.

Flood, Fair, Sharon, Hurst and Daly happened to spend a week or two in Butte, Mon., some years ago, says the St. Louis Post Disputch, and, as all of them had taken a post-graduate course in poker in the old days, they shuked themselves with the "kyards" in the intervals be-

with the 'kyards" in the intervals between business.

Although they were all multi-millionaires, they usually played what was for
them a small game. \$25 or \$50 limit, raising the jackpots occasionally to \$100 to
keep their hands warm.

Sharon had to meet a friend one night,
and when he arrived at the room where
'the boys' were playing the game was
two or three hoars old.

He waiked in and said good evening.

A play was on and the only responses
were grunts.

"Den't you want me to play?"
"Oh, yes, yes," replied Daly,
"Well there's my hundred."

"All right," said Daiy, with some heet-tion. "Flood, give him a white chip."

(DT CARLE.) American line steamer British Princess, Freeth, from Philadelphia June 18 for Liv arrived at Queenstown at 6 a. M. and proso far touch as a trail.

"We have seven witnesses," said Supt. Sullivan, "who will testily that Mrs. Murphy would not have been hurt if she had not attempted to jump out. The motorman, Michael Carney, is one of our most careful.
